Power pop, new wave, sludge, grunge, and cheapcore all rolled up into one slapdash package. 16 MP3 Songs POP: Power Pop, ROCK: Garage Rock Details: Death Before Disco's 6th album, Broke, Disgusted, and Can't Be Trusted, is the last collection of originals the band released before Mare Clark joined the band in 2006. It is the band's most cohesive album up to that point, combining elements of power pop, grunge, sludgcore, cheapcore, and new wave. Bill Gow and Anthony Volpe gathered 16 of their newest songs and continued to evolve their songwriting, both in terms of catchiness and maturity (with the exception of the children's song "Monsters," which traded maturity for total catchiness). People who are interested in Nirvana Green Day The Cars should consider this download.
