100 Total Pure Grain Rock -- Songs you'll be humming all day. 13 MP3 Songs ROCK: Grunge, ROCK: Modern Rock Details: Shae Hornback - Vocals Casey Williams - Guitar Adam Samples - Bass Chris Beiting - Drums Ever since playing their first gig in 1999 Eightfeet has been blowing away fans and critics alike with catchy lyrics and toe-tapping music. Eightfeet quickly took Cincinnati by storm with the release of their first album, "About You." Two years later Eightfeet once again floored the critics with their second release, "Waiting 'til Thursday." "Waiting 'til Thursday" continues the Eightfeet formula of writing catchy songs with lyrics that have meaning. Thirteen strong tracks covering issues from questioning religion to lost love. Produced by Eightfeet Jeff Monroe (Moth, July for Kings) and recorded at Group Effort Sound Studio. Here's what the critics said about, "Waiting 'til Thursday:" "Waiting 'Til Thursday is aggressive but very accessible American AltRock. The bluesy Post-Grunge guitar work and slavish attention to the groove make for a very listener-friendly experience..." - CityBeat 9/3/2003 "Good ol' noisy, melodic modern rock is in good hands with Eightfeet as the local five-piece outfit is releasing its second CD, "Waiting Till Thursday." ...the four-year-old band has evolved into its own unique trashy groove with this CD...solid in the trenches rock 'n' roll." - Rick Bird, Cincinnati Post 9/3/2004
