This is the most original sounding dance music ever produced. Unlike other manufactured dance compilations, GuidedBySpirits is completely free from any limitations such as computer programs, loops, or samples. 16 MP3 Songs ELECTRONIC: House, NEW AGE: Healing Details: Guided By Spirits, This is truly an original dance band. All songs created have no sampling, loops or any other effect used to produce them. I only use my musical ear, daily experiences, non-thought and a Roland Fantom Music workstation. Songs are created backwards, forwards, middle to beginning and all other combinations. My songs usually take about 3 hours from a "blank slate" to a fully produced song. My creative process is raw, fast and cool to watch as I rip up my keyboard playing everything you hear live and in front of you. My music has many applications from pounding dance beats and melodies to rich, powerful emotional ballads. As well I am a huge fan of just producing chillout mixes just to listen to. For the spiritual people out there I have produced two meditation cd's that will be available on this website shortly. Soundtracks for Life Volume Three will get your blood flowing and will awake the creative edge you have in your mind. Pop the disc in and close your eyes, as you don't need to see when your guided by spirits. Sincerely, GuidedBySpirits. People who are interested in Enya Moby Daft Punk should consider this download.
