All new country songs done a little different. 20 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Bluegrass Details: Howard was lead singer for "Lee Mace's Ozark Opry" for 10 years. He was also part of the opening act for such stars as Conway Twitty, Loretta Lynn, Johnny Paycheck, Tammy Wynette and several others. He semi-retired from the music business to stay closer to home and be with the family. He kept up with his writing songs, which has always been a passion for him. A few years ago John Davidson, of Broadway and Hollywood Squares fame, recorded one of the songs Howard and his wife, Flora, had written. John also did a couple of songs on his stage shows and on The TNN cable channel. Flora and Howard have won numerous songwriting contests. This CD is a compilation of all sorts of songs: belly-rubbin', country, comedy, gospel, a little bluegrass feel, some almost pop sounding, plus Ozark Mountain types of songs. All of these songs were written by Howard and his wife Flora. They were recorded in their studio in Springfield, Missouri. They are currently working on a couple more CDs. Special thanks goes to Harold Luick, of Country Music Showcase International, for his encouragement and having the answers to all the questions. Thanks goes to Chuck Fugate for helping produce this CD and also for his guitar, keyboard and horn work. Thanks also to Leon Daniels for his fiddlin', encouragement and friendship and so many others. Thanks to the kids grandkids, just for being! But most of all, THANK GOD!!
