

Mp3 Isaac Johnson - Let God

[DOWNLOAD HERE](#)

This album has a r&b touch 14 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B:

Contemporary urban Details: Isaac Johnson was born in Tacoma Washington on April 1st 1983. He grew up in church playing the drums since fourth grade. As Isaac's knowledge for music grew, his dad bought him a drum machine for his 12th birthday. Isaac, wanting to expand his musical talent, asked his dad to trade the drum machine and buy him a keyboard. This was the beginning of, I-So-Sik Productions. Isaac's passion for music, drove him into teaching himself the piano. He started listening to R&B music, picking out the chord, remembering their progressions and playing by ear. In 2000, Isaac was enrolled in Florida Memorial University, where he studied, Church Music. Here, Isaac was prepared, for any opportunity and challenges that may face him in the future. This was the first time Isaac played the keyboard as his main instrument. For four years, Isaac was the Minister of Music at, Chosen Generation Ministries. Here, he thought the Choir and played for the pastor during Sunday Morning Service. In 2004, Isaac decided to take his music career to the next level. He began recording his Debut Album " Let God" . On this album, Isaac has a little of every style of music including his African style song, (I am so lost). Today, Isaac is looking for a record deal that would help him to push his CD worldwide. Isaac is currently producing local artist' in the Miami area. He is collaborating with different artist and working with them to develop the encouragement and the push that we all need in the entertainment industry.
