Rip-snorting pop implosion juiced up on the smackin' lips of a folkie wet dream. The kids love it!!! 10 MP3 Songs POP: California Pop, ROCK: Folk Rock Details: NEWS FLASH: 2004 has seen the release of JOE ONGIE's latest and greatest CD "CRITICAL DARLING". 16 big tracks, an hours worth of breathtaking pop. Go check it out at cdbaby.com/cd/jongie4 Now back to our regularly scheduled program... La-di-da. Mr. Smarty-Pants thinks he can write a song. Thinks he has something to say, that somebody might want to listen. That anybody could care. But can it be...? Millions upon millions of adoring fans weep at his every gesture, every sly turn of phrase. And what about those cheekbones? You parents out there had better keep a close eye on those youngsters, because like it or not, they are on the slip 'n slide of truly boss hits, in the water-wiggle of pure lovin' strummin'. Watch out!
