

# Mp3 Juan Prophet Organization - The Carrot And The Stick

[DOWNLOAD HERE](#)

Glockenspiel, accordion, clarinet, trumpet, viola, cornet, piano, violin, drums, guitar, percussion, bass, and voice layered together for a cocktail of auditory potency. Vaudevillian/avant garde/experimental rock.

24 MP3 Songs ROCK: Progressive Rock, POP: Quirky Details: Ripped from the rich soil of Louisiana, these minstrels have found shelter in Murfreesboro, TN where they have established themselves as the most sought after vaudeville rock band in the region. The instrumentation consists of but is not limited to guitar, bass, drums, violin, viola, piano, vocals, accordion, banjo, trumpet, cornet, clarinet, glockenspiel, percussion and other noises. They are frothing at the mouths to get back on that long, lonely road, where you can end up with nothing and understand what it means to

smile..... "The band's members act as tour guides in a wild ride through countless musical genres with grace and style...without losing the audience's interest." Christopher Magan,

- "Equal parts circus side show and Captain Beefheart, Juan Prophet Organization mine a vein of frenzied art-rock that challenges listeners without sounding pretentious. Expect nerdy, whimsical lyrics and loads of mid-song tempo changes." The Nashville Scene "Experimental pop collective Juan Prophet Organization match art-school antics with indie-rock sensibilities." The Rage, Nashville, TN Juan Prophet Organization will be touring all over the states starting in the spring of 2005 so please visit our website or myspace account ([myspace.com/juanprophetorganization](http://myspace.com/juanprophetorganization)) to insure your participation at a JPO event near you.
