Ken believes this release is be one of his finest and his belief have been reflected in the response to this masterpiece. "When I began composing this album I drew upon the feelings I have for nature and combined it with a love I have for composing relaxation music. What began as an album composition grew into a self discovery. If listened to carefully one can not only hear but also feel the music radiating from within." Ken Davis ***ABOUT KEN DAVIS*** Ken Davis is one of the world's most successful composers of instrumental ambient relaxation and environmental music with sales surpassing two million world wide from his unique 50 CD and three Nature DVD self titled catalogue. His gift of melody has been the key to his success. Pan Flutes, Piano and orchestrated melodies have touched the hearts of many who have heard his music in all corners of the world. His music is featured regularly on Qantas airlines to relax passengers on International flights. His music heals and harmonises body mind and spirit. Ken is concerned for the world's environment for the future generations to come. "We need to protect our rainforests, oceans as well as to protect all endangered species worldwide" Taking his music to the streets performing on a massive keyboard set up he played directly to the public at malls and shopping centers all over Australia that paved the way to international success inspiring all those who heard his emotional melodies coming straight from the heart. This style of performance is only possible when performing solo as the music is created in the moment from the way the composer feels. This is felt by the audience. Ken Davis is a performer who plays by feel. *Ken Davis Brings Beautiful
