

Mp3 Mel Vondrau - Nights Alone

[DOWNLOAD HERE](#)

This is Mel Vondrau's third album. The title track being produced with Cedric Samson - No 1. Billboard and Grammy Award winning producer who has worked with the likes of Patti Labelle, George Benson and Ice Cube (to name drop but a few.). 18 MP3 Songs EASY LISTENING: Love Songs, EASY LISTENING: Mood Music Details: Mel Vondrau is a powerhouse! She not only runs the show...she is the show! We could utilise a shedload of adjectives to describe this artist and her potential in the adult contemporary market, but we wont... listen to her material, watch the DVDs and decide if you can sell more records or produce better shows, songs or promotional campaigns than she can. Main points of the news so far... 2005 saw Mel steadily building her business and her profile, adding further dimension to her catalogue, and performing internationally from her current base in the UK. Mel launched her third original album Nights Alone at Midem05 and has been promoting this album in venues around the world whilst notching up sales on CD Baby. Most notable performance in 2005 " she was invited to perform for the Saudi Royal Family as the headline artist for a live TV show in the United Arab Emirates. She performed her own original material and was backed by a world renowned New York jazz fusion band flown in from the USA specifically to accompany her. She performed her songs in an "Arabian/jazz fusion" style to great response demonstrating her versatility as a performer and the strength and adaptability of her material. Whats next...? Mel releases her latest video "Never" at the beginning of 2006 to promote the Nights Alone album on all major networks and TV channels worldwide. An international radio campaign 'kicks off' January 2006 UK based radio TV campaign in February 2006. Mel is appearing in a film playing herself and performing one of her own original songs with the sensational Groove Armada. Internationally acclaimed dress designers Charles and Patricia Lester will be providing the very best of their couture for all Mels performances worldwide. vondrau.com
