All kinds of country - traditional, americana with ballads, utempo, country rock, blues and a humorous tune. 21 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Americana Show all album songs: Every Night You Make My Day Songs Details: Mitch Snow is a multi-talented artist who has honed his profession as a singer/songwriter/musician/actor/producer and engineer. He learned his craft well, having performed with his father and teacher, Jim Snow, at the early age of 12. Since then, he has captivated diverse audiences from Las Vegas to Saudi Arabia and from Canada to Florida, and his songs have played in the United States and in many countries throughout Europe. Mitch has performed as Hank Williams in the play Lost Highways at the Barn Dinner Theatre. He has appeared in TV advertisements for Thomasville Chevrolet performing their jingles that he wrote and produced. He has opened for more than 40 national acts, including Bob Hope, Marty Robbins, Tracy Byrd, Ronnie Milsap, Gene Watson, Joe Diffie and Billy Crash Craddock. He has shared the stage with Minnie Pearl, Hank Thompson and countless others. If experience is the best teacher, Mitch has graduated from the right school. He owns and operates Mitch Snow Productions, where he produces and engineers sound tracks for songwriters and artists of various styles. He has also appeared on recordings by Connie Hopper of The Hoppers, The Easter Brothers, The Dixie Melody Boys, Billy Crash Craddock and Bob Timberlake Reflections Alan Denny piano Arrangements. He also stays busy with live performances, both private and corporate, and sometimes he plays lead or a rhythm instrument as a special guest with various bands. A normal days work on stage or in the studio might include Mitch playing the acoustic rhythm guitar, lead guitar, bass guitar, drums, fiddle, mandolin, banjo, harmonica, piano, pedal steel, dobro, and occasionally even a sax line. When the good Lord passed out talent, Mitch went through the line twice! RGO Records is proud to release Mitchs debut, double album of 21 songs of all kinds of country, including traditional, up-tempo,

blues, ballads and humorous songs. Only Mitch can pull off a variety of country styles with the emotion that every song demands. Thanks Mitch! Roy G. Ownbey cdbaby.com World Wide Distribution at HonkyTonkin.com
