Adult Contemporary, Urban Folk, Jazz Pop, Alt. Country 13 MP3 Songs EASY LISTENING: Adult contemporary, POP: Folkly Pop Details: Pete Fountain has been writing and performing original music in New Zealand for over 10 years. Pete studied music from an early age. First on piano age 7 and then switched to guitar at 12. He started writing songs at the age of 16 and has performed in countless bands over the years. Pete formed his live band by hand picking the best musicians he had worked with over his 10 year musical career. The musicians he plays with live funnily enough, aren't the same he recorded his debut album "Will" with. Next time around I'm sure they will feature more. Pete has released 2 singles off his debut album so far and they have received extensive Radio and Television exposure in New Zealand. The videos for "Just for Today" and "Heavy Tonight" are available to view at myspace.com/petefountainnz. Pete is currently negotiating worldwide distribution and promotion for "Will" and shall be touring both with his band and solo to promote it.
