Are you considering business ownership and not sure where to start? If so, you have three options. Buy an existing business, buy the rights to a franchise or start your own business from scratch. This 182 page workbook includes how to decide which industry is right for you, how to create your legal entity, obtain business permits and licenses and business insurance. It also explains how to build your dream business using the solid foundations of a business plan, sales and marketing plan and productivity plan, all dovetailed with financial planning tools such as start-up costs planners, profit and loss projectors, sales forecasts, break even analysis and more. It also includes finance options, checklists, resources, other planning sheets and tools to start your business as quickly as possible. Finally, this workbook shows how to do all this and more with the focus that a buyer may wish to buy your business and if so, what processes you would follow to sell for the highest price.
