One country, four languages, 26 cantons, and 7.5 million people (but only 80% of them Swiss): there's nowhere else in Europe like it. Switzerland may be almost 400 km from the nearest drop of seawater, but it is an island at the center of Europe. Welcome to the landlocked island. Swiss Watching is a fascinating journey around Europe's most individual and misunderstood country. From seeking Heidi and finding the best chocolate to reliving a bloody past and exploring an uncertain future, Diccon Bewes proves that there's more to Switzerland than banks and skis, francs and cheese. This book dispels the myths and unravels the true meaning of Swissness.
