How to Start Writing Great, Traffic-Boosting Articles Even If You Dont Have ANY Writing Experience & You Hated High School English! Dear Friend, Are you ready to start driving waves of cash-in-the-pocket, eager-to-buy prospects to your website? If so, then you need to learn how to write articles (if you are a terrible writer DONT WORRY, in a minute Im going to tell you how anybody can start writing great, traffic-producing articles quickly and easily!) But first, why are articles so important to the success of your business? Because, quite simply, on the Internet content is still king and nothing can boost your traffic and send your search engine rankings soaring faster than some well-written articles. Unfortunately, few people are great writers and the few good freelance writers out there like to take advantage of this fact by charging outrageous fees. This leaves many of us small business owners in a quandary do we try writing articles ourselves and risk them being so poor that nobody reads them or do we pay through the nose to have an expert write our articles for us (and with the fees well have to pay is this even worth it)? Well, what if I told you that there is now a third option to this very common problem. Would you be interested in learning more? If so, I urge you to keep reading as what you are about to discover is sure to surprise and delight you! Anybody Can Learn to Write a Great Article . . . Did you know that most people read at a fourth-grade level? Well, its true. That means you dont have to be a great writer to write traffic-producing articles all you have to be able to do is write the way you talk. It also helps to know a few insider tips, techniques and secrets that make the process even faster and easier. And luckily for you, there is a new guide available that shows beginners step-by-easy-step how to create their own traffic producing articles even if you currently have trouble stringing together two coherent sentences. Thats right, now you dont have to worry about spending a fortune on freelancers. Now you dont have to worry about wasting hours and hours of your time on an article that doesnt produce near the traffic you hoped. Now you can learn all the secrets to writing articles that your best prospects will want to read! Youre About to Discover How You Can Easily Write Your First Article So You Can Take Advantage of Everything Article Marketing Has to Offer! This guide is designed to teach ANYONE how to write an article that will get readers to click on the link in the Authors Resource Box and visit their website. Thats the goal, isnt it . . . More traffic to your

website. Writing articles is a great way to make that happen. Here is just some of what you will learn by reading this amazing ebook: How to create attention-grabbing headlines that will make readers feel like they HAVE TO read your article before they move on to anything else! How to write articles that will appeal to your best prospects and will send them flooding to your website in no time! How to create an article just like a professional even if you've never written an article before! How to format articles so they are easy-to-read and flow well on the page! How to create different types of articles including review articles, list articles and many more! How to create SEO articles and where to place keywords in your articles to ensure you get the most bang! How to write in a conversational style so you keep your visitors interested in what you have to say! And much, much more! This is Your Chance to Finally Learn How to Write Articles That Will Get Published, Get Read and Get Readers to YOUR Website . . . Often new businesses on the web may garner just a handful or a few dozen visitors each week. You may have a few hundred visitors coming to your website if you have established your business. But think about how much more business you could be doing if you had a few thousand visitors coming to your site each week. Is it possible? It is, if you create great articles that get your name out there and link to your website. Articles can become a traffic magnet when written well. They can generate tons of targeted traffic. And, you don't have to spend a lot of time writing articles once you get the hang of it. In fact, you can probably spend just one to two hours a week working on your articles once you get the hang of it. That's not very much time at all. So, how do you get started? Simply follow the steps outlined in How to Write Your First Article. Here is more of what you will learn by reading this guide: 5 tips for writing great article headlines that will attract readers like a 10-ton magnet attracts paperclips! Headline examples just modify one of these to ensure your first article headline is a good one! Why an article foundation is similar to the foundation of a home and how to use this analogy to ensure you create a great article each time you sit down to write! How to make article writing fun even if you currently think you hate writing! How long to make your articles and your headlines follow these tips to ensure you never leave your readers wanting more or waste your time writing more than you need to! Three things all articles must have leave any of these three out and your article is doomed to not produce the traffic you want! 5 keys for grabbing readers attention at the beginning of your article and keeping it all the way to the final word you've written! How to create a Resource Box that will have prospects clicking through to your website like a picnic attracts ants! How to edit your article follow these tips and readers won't be able to tell the difference between your article and

one that was written by one of those expensive freelance writers! How to write SEO articles follow these tips and youll be amazed at how easy it is to do! And much, much more!
