

Dying Unfinished - Maria Espinosa

Extending the story of the troubled life of Rosa, a character first developed by the author in *Longing*, this novel describes her difficult relationship with her mother, Eleanor. Rosa's story unfolds as though in a parallel world: dogged by the same obsessions as her mother and resorting to sex and madness as elements of destruction. At the core of their tension is the illicit affair Eleanor has had with her daughters' husband, Antonio. Both Rosa and Eleanor find the defining focal point in the same man, whose gift for interpreting the longing of others means his own bitter destruction. Narrated in two voices from perspectives of both women, this novel describes both their lives in depth, covering a span of nearly 70 years during which the world around them undergoes enormous change.
