

Even Demons Get The Blues - Maree Anderson

Rezon was the Demon King's lieutenant for four thousand years but even the most badass Demon in Hell gets jaded, so Rez joined the Beguilers. Only trouble is now he's been beguiled by Leisa, a tormented human woman who's captured his heart. When Leisa picks up one loser too many, Rezon's provoked into whisking her off to his lair to show her what a real man-uh, make that Demon!-can do for her. Leisa's been tagged by a Destroyer and her soul is forfeit, so when she inadvertently shatters Rez's defenses and bonds with him there'll be Hell to pay-literally. TO MY READER: I wanted to write a truly alpha male hero so when a story idea about a demon popped into my head, how could I resist? Demon or human, my take is we're all looking for that special someone who'll truly love us for what we are. The result, Rezon and Leisa's story, is gritty and at times rather dark but above all it's a story of redemption and happy endings. And for those of you who like a laugh, there's always my witty and urbane Demon King to lighten things up as he attempts to help Rez solve his predicament. Enjoy! ABOUT THE AUTHOR: At the tender age of twelve, Maree Anderson was pinching her mom and dad's books and reading them at night by the hallway light. It took her a few more years-okay, decades!-to pluck up enough courage to write her own

stories but now there's no stopping her. She lives in Auckland, New Zealand, with her real-life hero who encouraged her to quit work and take up writing full-time-what a man! She's a mom to two extremely understanding kids who don't mind getting their own dinner when she can't tear herself away from her keyboard, and one very portly ocicat keeps her company while she's writing.
