an exotic hybrid of darkwave, cyber-dance, and electronic, attention fans of Massive Attack, Curve, Dead Can Dance, Portishead, and Delirium. 10 MP3 Songs ELECTRONIC: Trip Hop, ELECTRONIC: Industrial Details: Collide performs an exotic hybrid of Darkwave, Cyber-Dance, and Electronic, with crossover appeal which will appeal to fans of Massive Attack, Curve, Dead Can Dance, Portishead, and Delirium. After their first highly acclaimed CD, "Beneath the Skin", and follow-up remix album, "Distort", Noiseplus Music is proud to present the long anticipated, "chasing the ghost". As the title suggests, "chasing the ghost" is haunting and captivating, with an essence that cuts to the core. Its hypnotic lull of orchestrated sounds and heartfelt emotion reveal a journey reaching deep into the psyche that will grab you and not let go. Recognized as innovators in sound, Collide prefer to cut their own path. This album, although decidedly different from their previous CDs, once again treads on new ground, combining new elements into a powerful whole.
