Lean back in your seat and cruise on down the highway with this non-stop album that is nothing but pure country rock fun. 12 MP3 Songs COUNTRY: Country Rock, ROCK: Country-Rock Show all album songs: Custom Cab Songs Details: Plug your MP3 player into your car, turn up the volume, roll down the windows, and find the longest, straightest stretch of highway you can: without a doubt, Custom Cab is THE Dave Durham road-trip album. It has the pace of a train crossing the country and it is infused with the feeling of excitement that comes with travel. The energy takes a down-shift with "Old Fashioned Girl" you'll have to lean back in your seat, hang an elbow out the window and hold the top of the steering wheel while you let this beautiful tune flow past you. But get ready for "Pinto Pal"--grip the wheel at ten and two--because this one's got the high-speed pace and unfettered energy of a classic bluegrass tune, complete with that fabulous American yodel (originated by the great Jim Silvers). The album is rounded out by a few more upbeat bluegrass-inspired numbers, a fun reinvention of "Purple Haze," and ends with a wonderful country ballad featuring a soulful harmonica counter-melody. Custom Cab combines the iconic sound of traditional country with the production value of a rock album; it features a range of influences from quintessential bluegrass roots to the Emmylou Harris era of country rock and is a must have for any country music lover's collection.
