

Mp3 Electric Rider - Creations On The Edge Of Tomorrow

[DOWNLOAD HERE](#)

Meditative ambient electronica designed for zen soundscapes. 4 MP3 Songs ELECTRONIC: Ambient, AVANT GARDE: Sound Art Details: One of three princes of the Grand Cosmic Empire of Pargama, Petronius Fate abandoned his throne along with his brother Sirulian. While Sirulian became entranced with exploring the world of the sensory, however, Petronius became enamored of the spirits of the universe. Now calling himself Electric Rider, he explores the outer rims of the known universe, recording the meditative spiritual vibrations generated by the galactic currents. "Creations on the Edge of Tomorrow" represents an early voyage of Electric Rider chronicled in soundscape. From the outer rings to the inner depths, it is a meditative voyage through a dimension of the self. People who are interested in Moby Ravi Shankar Brian Eno should consider this download.
