Love, Crank Rattle Records P.S. Here's what Dan said about Foibles: "Whereas much pop music is built around endlessly repeated choruses, Dumesnil's [Foibles] songs are resolutely non-redundant. He eschews lyrical repetition almost to a fault, preferring to end a song after a minute and a half rather than repeat himself. He's like a surrealist machine-gunner, continually pelting the listener with odd juxtapositions, non sequiturs, and tart observations." - Dan Strachota SF Weekly Jeez, thanks Dan!!!
