It's time to put him on notice that with the love of god and the power of the cross all things are possible for those who believe. Thats why we have formed the group called In God's Hands because we need to all be in god's hands to get through our every day life. Our music is based on our every day life things that happen to people we know as well as our selves. We hope you enjoy this CD as well as get the message that we are sending.
