Pop/Rock 14 MP3 Songs BLUES: Electric Blues, POP: Beatles-pop Details: IYUHISHI is a recording project born out of the ashes of Graphic Warehouse. IYUHISHI'S main members are Julio Filici, and Glenn Thurman, along with the participation of good friends and hired guns. The goal of IYUHISHI'S debut "we you they" was to take the necessary time, and resources to craft the best possible musical compositions. The above-mentioned members feel immense satisfaction with the result. As a point of note, the original members of Graphic Warehouse have reformed and plan to tour "we you they" in the greater Toronto area.
