

Mp3 Jack Lee Gates - City Of Dreams

[DOWNLOAD HERE](#)

"As with many Jazz musicians, the ability to carry the listener away with the music is a talent that is spawned from within, Jack Lee Gates shows that talented vibe most predominantly. If you want smooth jazz music then you will love Jack Lee Gates" 12 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Background Music Details: JACK LEE GATES JACK LEE GATES MUSIC PUBLISHING, COOL GATOR RECORDS COOL GATOR RECORDS RECORDING ARTIST, SONG WRITER, PRODUCER AND ARRANGER Jack has formed an independent record label, Cool Gator Records, which is based in the City of Moreno Valley California. Jack has always been interested in the field of motion pictures and music. In his early years he has played gigs with the likes of Philip Bailey , Larry Dunn; members of Earth Wind and Fire. The music of Jack Lee Gates is a refreshing formula of New Adult Contemporary Jazz. Jack also composes all types of music for other artist such as Country, Pop, Rap, and so on. His compositions are always full of melodic content; taking the listener on an instrumental journey through time, tradition and technology; bridging the old and the new in a sound born of love , magic and majesty. It reaches the very young to the old.
