Mp3 Jackost - Spirit Of Us

DOWNLOAD HERE

A powerfull heavy metal in the main tradition with heavy vocals, screaming guitars, pounding drums and bass, and lightning solos. LIKE A STRONG HEAVY METAL METEOR ATTACK ON BRITNEY' S POOL. 12 MP3 Songs METAL: Heavy Metal, METAL: Thrash/Speed Metal Details: Born in 1994 under some different names, Jackost is first of all the meeting of some good friends who decided to play together the best music in God's creation, THE METAL, inspired by bands like, Maiden, Priest, Helloween, Manowar, Malmsteen, Metallica, Guns Roses and Slayer. After some years of composition and practice, the band finally found his way of playing and is now looking forward to make new records and play gigs. Only one advice, push your limits up not to rust and give always your best to keep your music alive.
