

## Mp3 Jay Harmon - Jazz: Smooth Jazz

[DOWNLOAD HERE](#)

Urban/Contemporary Smooth Jazz with an "Old School R&B" flavor. 15 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Vocals Details: Jay Harmon is an accomplished Musician, Singer, Composer Arranger. On this CD, His first commercial CD release, Jay plays Alto Saxophone, Keyboards, Synthesizer, Drumset, Electric Bass, as well as Lead Background Vocals. Asked about his first start in music, Jay says "I started on Bass first, then Sax, then started my first band. I picked up the other skills while in high school, Linden McKinley, in Columbus Ohio. I started playing the professionally on the Saxophone with the popular local Columbus band "The Crowd Pleasers". They went on to release an album with Westbound Records out of Detroit, The same label George Clinton the Funkadelics started with. My first commercial recording was on Cleveland Unlimited and was a popular regional hit 45RPM entitled "Now It's You Me". I started playing solo live when the new digital technology became available to me." Interested Smooth Jazz R&B fans can learn more about Jay by requesting his Electronic Press Kit from Major G Entertainment. Email: [MajorGartists@clevelandunlimitedrecords.com](mailto:MajorGartists@clevelandunlimitedrecords.com) Also, for some background on the special track "Rollin" and on the making of the new CD, listen to an archived interview by Jay with Celeste Terry on the "Demystifying Non-Profits" Internet radio program at [Globaltalkradio.com](http://Globaltalkradio.com). Jay is an exciting live performer. He always thoroughly entertains his listeners and leaves people wanting more. Interested Booking Agents Promoters can reach Jay by emailing: Major G Artist Management at [majorgartists@clevelandunlimitedrecords.com](mailto:majorgartists@clevelandunlimitedrecords.com). Jay's new Cleveland Unlimited Records release is an exciting blend of Contemporary Urban Smooth Jazz with a distinct "Old School" R&B flavor. It is bound to please music lovers of both genres. Cleveland Unlimited Records is proud to have Jay on our label, and you can look forward to enjoying great music from Jay on each and every track of this dynamic new release. We suggest for smooth Jazz radio listeners the mellow "Thoughtful Mood", "Cold Blue", "Papa

Jay" Ray-Gee Marc". R&B music lovers will like the introspective "Open My Window", the funky instrumentals "Cant do Right" and "Papa Jay" and the soulful vocal track "We Lied". All in All, a very nice CD from the first track to the last. No filler tracks here anywhere. These 15 solid original tracks are bound to please. ...Happy Listening!
