

Mp3 Jurorxiii - Sessions (limited Addition)

[DOWNLOAD HERE](#)

Juror XIII music is where a mix of 80's, 90's metal influences meets with a today attitude. From heavy riffs to driving beats. To say the least this band and this album will prove to be entertaining. Even to the most harshest metal critic. 8 MP3 Songs METAL: Heavy Metal, ROCK: Hard Rock Details: Band Background: JurorXIII is a Michigan based metal band. The guys formed in 2003. In June 2004 they released their first EP, "No Idea". Since then the guys continued to write, and record, and now here in December 2004. Their first full length album is available. Update 6-2005: The album "Sessions" is now out of print, and is now a limited addition album..... Album Info: The album "Sessions" is JurorXIII's second album, and first full length release. The songs span a long range in the metal genre. From heavy hitting drums, and thick guitar riffs. To articulate timing, and melodic melodies. Update: (This is for the viewers of the CDBaby webiste. NOT THE TOWER RECORDS SITE) There is a technical problem with our sound clips. But the problem only occurs in lo-fi play. Please use the hi-fi for better quality. Hi-fi does work with dial-up. It will take a little extra time to download. But the songs will sound 100 better. We have the techs looking into it right now, and they will have this problem fixed as soon as possible. We apologize for any inconvenience.
