the pieces of the Puzzle of Love TAKE A MUSICAL JOURNEY THROUGH THE MAGIC OF LOVE, ROMANCE AND RELATIONSHIPS MAKING UP THE PIECES OF THE PUZZLE OF LOVE. No matter what your age, or over what period of time it happens, everyone experiences a journey through the pieces making up the PUZZLE OF LOVE. Love begins with a feeling, a look, or a voice, telling us this is the one. (HEARING VOICES.) While we all have materialistic dreams, at the same time we also search for love to bring us inner fulfillment. (DIAMONDS AND GOLD.) When we hear the voice, our search for the material aspects of life becomes secondary to the deeper feeling of love. During the honeymoon period, the person you found becomes the focus of your world. You can't stand to be apart for even a minute. You think constantly about being together again. (BACK IN YOUR ARMS AGAIN.) Even if you've been unlucky in love before, you decide to LEAVE IT UP TO LOVE. However, be it a short or long term relationship, sometimes things do go wrong. You feel that through no fault of your own, you're forced to watch your one love fall for another. (FALLIN AGAIN.) When this happens, it becomes difficult to see the brightness of life around you. (HOW CAN THE SUN COME UP WITHOUT HER.) During this period of adjustment, you may feel you're JUST PASSIN' THROUGH life, without much awareness, feeling, direction or focus. You may become wistful. (THIS OLD HOUSE.) You may be restless. (I'LL JUST WATCH THIS CLOCK.) But more than anything else, you may feel regretful of the way you treated your love. This brings you to the realization you may be the one who destroyed the relationship and who needs to change. (IF I HAD YOU TO LOVE OVER AGAIN.) Once you reach this realization, you can't help but reminisce. (WHERE ARE YOU NOW.) Eventually though, if you stay open to new experiences and relationships, and keep your faith, you will rediscover your love or find another. That discovery will make you ONE MORE BELIEVER IN LOVE. When love returns, its' like waking up and coming BACK HOME. With a second chance you'll learn to appreciate your ONE LOVE.
