The Mollys, from Tucson, Arizona, deliver a compelling mix of "tangled roots" music combining country, Tex-Mex and bluegrass with a rock and roll drive. The five-piece group uses three-part vocals with accordion, guitar, tin whistle, banjo, bouzouki and harmonica backed by driving electric bass and drums. The Mollys have toured the U.S., Canada, Australia and Italy, earning rave reviews for Nancy McCallion's stunning songwriting and the band's spirited performances.
