Chamber pop. Moody guitar pop with boy/girl harmonies and a string quartet. For fans of Brian Wilson and Lennon McCartney, and all those who have followed. 10 MP3 Songs POP: Chamber Pop, POP: Twee Pop Details: Poland's second release - "Schoolboy Crush on Che Guevara" on Class M Records. This 2008 release finds the Seattle band expanding a bit on their indie pop/chamber pop sounds of their first CD, "Tuesdays Wednesdays". This offering includes more vocal tracks, with nice boy/girl harmonies and some interesting string arrangements. It also highlights some unusual instrumentation that accents their core of guitar, bass, drum, and keys - like the inclusion of vibes, melodica, banjo, ukulele, glockenspiel, and lap steel. (Think Brian Wilson's Pet Sounds or Smile for the modern popster). Fans of Polands well-established cinematic sounds wont be disappointed, and will also find new enjoyment in the more classic pop songwriting approach in many of the new songs. People who are interested in Belle and Sebastian Brian Wilson The High Llamas should consider this download.
