

# Mp3 Roberto Jonata - Composte Passioni

[DOWNLOAD HERE](#)

A selection of piano and acoustic ensemble compositions characterized by melodic lines of neo-romantic impulses and rhythmic settings with a multiethnic flavour. Roberto Jonata, pianist and composer that associates suggestive colours in streams of emotion 11 MP3 Songs AVANT GARDE: Modern Composition, CLASSICAL: Contemporary Details: Roberto Jonata, pianist and composer, completed his musical studies at the Conservatory of Vicenza, obtained his piano diploma with the highest grade. After 1996 studied with well-known solo and chamber music musicians at the G. Marziali Musical Academy of Seveso (MI) with professor Bruno Canino and at the International Graduate School of Chamber Music with the Trio di Triste in a quartet setting (strings and piano) which he founded. In 2002 obtains an undergraduate degree in Economy and Commerce at the University of Trento. In this period he continued with a full musical agenda and participated in many different contexts, in many national presentations and recitals. Jonata built up his reputation by participating in major Italian and international instrumental competitions, obtaining awards and recognition that lead him into recording in 2001 a project for Videoradio Records of piano solo with music of S. Prokofiev, A. Scriabin and B. Bartk (Distr. Fonola Dischi). An eclectic musician, with a marked interest for the film music environment, asserts himself at the renowned International Competition for Film Music Mario Nascimbene Award of Chieti (2005), obtaining the third prize (President of the Jury: italian actor Michele Placido). In 2006 was finalist at the international competition AllUltimo Soundtrack, organized by the Puglia Film Commission (President of the Jury: professor Nicola Piovani). Among his discographical and live projects, as a sideman Jonata has recorded so far four albums: Luca Bassanese Compilation of the Winners of the 15th Recanati Prize (2004 ed. Musicultura); Luca Bassanese Oggi che il qualunque mi mette da parte e vivo le cose a modo mio (2005 ed. Xland); Lucio Battisti: i volti dell'amore (2005 Bruno Conte); and Luca Bassanese Al

Mercato (2006 Venus Distribuzione). As leader Jonata has published, besides the former albums, two other discographical works: Kimik (pop project of 2002) and Composte Passioni (2006 ed. BuenaOndaProduction) with the special participation of the singer Luca Bassanese and the journalist/writer Gian Antonio Stella. In the field of pop music Jonata has participated live in the television channel Rai 3 and Radio Rai 3, as well as in performances and festivals alongside artists such as Nat Veliov Koani Orkestar and Luca Bassanese. Moreover, as a connoisseur of the work of Lucio Battisti, Jonata has been on tour for over five years with an artistic/philological project dedicated to this great musician. Currently is occupied with an acoustic trio in the tour Composte Passioni.
