An alternative blend of acoustic Folk, Pop and Jazz. Music to dream to and to make you realise that there are always things to hope for. 5 MP3 Songs FOLK: Gentle, POP: Folky Pop Details: A London based acoustic duo - Guitar, Vocals (Hannes) Clarinet, Bass Clarinet, Flute, Baritone Sax (Tamar). After experimenting with a range of musical styles which included two and a half years the vocalist for Lyricsn Func - a funk jazz band from Mainz - Hannes decided to make use of the many songs he wrote over the years and perform them as a solo artist. In October 2005 - Tamar had just returned to London after spending a few months in Kolkata where she was involved in a jazz project with Taal Tantra (Tanmoy Bose) Stadtpark was born after Tamar joined Hannes for a gig at the Acoustic Lounge in Clapham, London. Together they combine the fruits of a classically trained background and the vast experiences in different popular music styles to create an alternative blend of acoustic folk, pop and jazz. Releases o About a Rock EP 2005 o Gehen Sie Geredeaus EP 2006
