Related styles: POP: Power Pop, ROCK: Rock Roll People who are interested in Garbage No Doubt The Presidents of the United States of America should consider this download. Details: The Banana Convention has defied all odds by shaking off its bubblegum image to become one of the most intriguing rock hard bands in mid-Michigan. Never mind the pretense of the un-hip, these cats are evolving anti-bourgeois bohemian warriors that create music that transcends three chords and 2/4 beat. The BC sound is enveloped by Shar Molina's soul-stirring vocals and Ray Torres iconic guitar work. You have to believe your eyes and ears. This band will take a hold of you and squeeze all the juice outta the juke joint and leave you beggin' for more. The motion in their music rocks you into cozy daisy chain of good vibes and hot lovin' that you can't resist....don't even try.
