Believers recorded this song. A little background - in 2007 the Cubs were swept in the post season so these lyrics were written. In 2008 they were swept again so five Chicago Cubs fans (Kurt Hill, vocals, Jennifer Dunn, banjo, Betsy Green, piano and Dennis Tousana, recording engineer and Sarah Hamilton, assistant recording engineer)got together in a studio in Chicago and recorded this song. If you are a Cubs fan, this is for you. If you are not a Cubs fan but your friend or relative is, this is for them! Tags: pop
