A collection of parent friendly kids songs written and produced with elementary school character education programs in mind. 10 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: "Songs For Schools: Positive Choices" may be the most popular CD The Uncle Brothers have ever produced. These songs were carefully chosen from their many award winning CDs and all are perfect for elementary school character education programs. Many are songs they perform live during their character education assembly programs. "Just Say No To Drugs", "I Will Never Smoke", "Bully Bubba", and "Hurray For The Teachers" are some of the original songs from Tommy and Danny that have been a staple in elementary schools since they were written. "Pieces of a Puzzle", "Different", and "Rainbow" are songs that convey the importance of cultural diversity and acceptance in the world today. "Don't Miss The Boat" , "Try, Try Again, and "I Can" are upbeat, lively songs emphasizing persistence, goal setting, and never giving up. BIO Danny Quinn and Tom Gardner are The Uncle Brothers. This NY metro area duo performs family and kids music in a 'Jimmy Buffett meets The Smothers Brothers' style of humor and lively crowd pleasing original songs. For elementary schools they've designed a show around character education themes like anti smoking and drug awareness, respect, conflict resolution, kindness, responsibility, and many others. For family venues they are just plain FUN, getting the audience involved in wacky hand motions and sing a longs. Winner Parents Choice Award, Parents Guide Award, Children's Music Web Award, "BEST NEW ARTIST!" "Rainbow", Grand Prize Winner, KidSing 2001 Songwriting contest "Delightful entertaining!" Parents Guide magazine "I loved watching the Uncle Brothers and you will too. The kids were totally involved, had a great time, and learned meaningful things (messages) as well" Bob McGrath from Sesame Street
