Alternative hip hop 14 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: White-Boy Rap  
Details: A blend of classic hip hop drum patterns and dark electronic synths with hints of nu-metal mentality make up the fabric of "Rain Without Clouds". The lyrics reveal the day-to-day life of m.c./producer Underground Ugly. Songs cover topics such as lamenting a mundane day job, two-faced friends, cruel women, the shallow corporations that run the music industry, and soothing the ache with alcohol. It's not all depression and anxiety though. Ugly makes sure to poke some fun at himself and show a little humility here and there. Guests on the album include the Bay Area's own up-and-coming entertainer, Goodword, as well as the other half of Ugly's rap group (Fat Kidz), Big Smoov. Ugly's personal taste in music give his own a nice mix of emotion, energy, and substance. The serious personal topics are kin to artists such as Sole, Atmosphere, and Korn while the humorous and up-beat side is reminiscent of Insane Clown Posse, Del tha Funkee Homosapien, and Mindless Self Indulgence.
