Pop rock with a groove funk twist. Released ahead of its time, Stuff is a fun CD guaranteed to make you feel better during this trying era. Definitely check out the sound clips. 12 MP3 Songs POP: 90's Pop, ROCK: 80's Rock Details: Originally formed during the mid-90s in Bowling Green, OH, this now defunct band once rocked the club circuits from Michigan to Cleveland to Western Pennsylvania. Xing's first and only effort, Stuff, is a collection of songs written over the course of three years and inspired by many nights of wild partying, sex, drugs, heartache, isolation, and love. Although the band may be gone, their music still lives on... So, check it out...it's a good fix for these trying times.
