

Public-private Relations In Totalitarian States - Gabriel A. Barhaim

[DOWNLOAD HERE](#)

This book argues that the disappearance of major ideologies and the disintegration of the state and its institutions have contributed to the redefinition of the social order. This leads to cultural phenomena whose prevailing themes encode the fate of individuals, both symbolically and expressively. Gabriel A. Barhaim regards the social order as the inspiring scene of action, while culture, with its diverse modes of expressions, provides guiding commentaries. /span/pAuthor: Barhaim, Gabriel A.
