Being a spinster was much easier than becoming the accidental countess and it definitely didn't prepare her for falling in love. Book One in the Once Upon an Accident series. Colleen MacGregor doesn't like rich men, especially rich titled men. Still, her guilt won't allow her to leave Sebastian passed out in the snow. Before he can leave, they are caught in a compromising situation. Under an agreement he will leave and never bother her again, Colleen marries a man she barely knows to save her reputation. Before she can really stop anything, she is whisked to London, where she is transformed into an Original and captures the attention of the town-not to mention her husband. Sebastian Ware thinks he'll never see the sharp-tongued spinster again. He never planned on becoming the next Earl of Penwyth-or on falling in love. But before he can declare his feelings, he must protect her from an enemy who wants them both dead. Racing against the clock, Sebastian strives to save them both so he can turn their accidental love into a love for eternity. This book was previously published, but has been substantially revised and re-edited for Samhain Publishing.
