

# First Principles: Five Keys To Restoring America's Prosperity - John B. Taylor

[DOWNLOAD HERE](#)

Leading economist John B. Taylor's straightforward plan to rebuild America's economic future by returning to its founding principles. America's economic future is uncertain. Mired in a long crippling economic slump and hamstrung by bitter partisan debate over the growing debt and the role of government, the nation faces substantial challenges, exacerbated by a dearth of vision and common sense among its leaders. Prominent Stanford economist John B. Taylor brings his steady voice of reason to the discussion with a natural solution: start with the country's founding principles of economic and political freedom-limited government, rule of law, strong incentives, reliance on markets, a predictable policy framework-and reconstruct its economic foundation from these proven principles. Channeling his high-level experience as both a policymaker and researcher, Taylor then zeroes in on current policy issues-the budget, monetary policy, government regulation, tax reform-and lays out in simple terms bold strategies designed to place the country on sound footing in each of these areas. Author: Taylor, John B. Publisher: W. W. Norton & Company Illustration: N Language: ENG Title: First Principles: Five Keys to Restoring America's Prosperity Pages: 00224 (Encrypted EPUB) On Sale: 2012-01-16 SKU-13/ISBN: 9780393073393 Category: Business & Economics : Government & Business
