

Mp3 A Man Named Samuel - Release The Main Line

[DOWNLOAD HERE](#)

The debut of this Americana poet/artist's organic sound maintains that the craft of songwriting is still very much alive. 8 MP3 Songs in this album (30:21) ! Related styles: FOLK: Alternative Folk, ROCK: Americana People who are interested in Bob Dylan Ray LaMontagne Jenny Lewis should consider this download. Details: A Man Named Samuel's Release the Main Line is the debut album from indie songwriter and artist Samuel M. Whitlach. Samuel credits this album to his experience in Humboldt County, California: a place that he called home for four years. Embracing the influence of northern California's music scene, this album was produced in the aim of capturing both the organic sound and energy of live acoustical performances. Advantaged by the capabilities of track-layering, however, Samuel's recordings waver between the real and the surreal at times. Release the Main Line begins with an unconventional track where the album's lyrics, overlapping and in spoken-word form, lay the foundation for the seven original tracks to follow. Melodic and heartfelt, the album's songs delve into the recurrent themes of self-discovery and assertion. Samuel, who was formally trained as a visual artist, treats his songwriting as if it was any other art form: a craft wherein beauty lies in the details. The creation of Release the Main Line is a testament to the environment in which it was created. And like Humboldt's coastal redwoods themselves, this album offers much to be explored.
