

## Mp3 Beth Preston - Inside Fire

[DOWNLOAD HERE](#)

A unique rootsy folk rock style with a touch of reggae on the side. "engaging. the energy of Ani DiFranco and vocals similar to Fiona Apple. G.Schwind, Rockinworld". 11 MP3 Songs FOLK: like Ani, ROCK: Roots Rock Details: Beth Preston: just a girl trying to spread the love. But its not all rainbows, moonbeams and fairytales for this Southern-Californian musician. Try lightning bolts, skateboards and broken guitar strings, and youre getting a little closer to the real Beth Preston. Frustration, heartache, uncertainty, acceptance and strength of mind can all be found in Prestons music what else can one expect from a vegan and political activist living in a George-Bush-led America? Not just another angry folk-rocker, this girls got a light that shines and fire that burns. Shes exposing the roots and finding the flow both lyrically and musically. Prestons amazing vocals and soulful performances have landed her support slots with Xavier Rudd, Michael Franti Spearhead, and Blue King Brown, to name just a few. With her musical journey beginning at age zero, Preston is not stranger to performing. Her first gig being ..in the parking lot of one of my Moms gigs, with a tip jar, and a kid-sized accordion.. Aside from her more recognized musical influences (PJ Harvey, Ani Difranco, Cat Power, Elliot Smith, Jeff Buckley, Manu Chao, Hendrix, etc) her parents have been a huge inspiration, My mom is the most amazing blues singer and poet I've ever witnessed, and my father, a world-class guitarist and writer... Her upbringing, huge heart, and burning desire to communicate her beliefs and feelings through music, create a performer whos not afraid to explore her musical boundaries, and who definitely is not shy to the stage! Anyone whos seen a Beth Preston gig will know, she owns it.\*\*
