

## Mp3 Chain Poets - Rock: Psychedelic

[DOWNLOAD HERE](#)

Energetic, melodic, ass-kicking power pop with ear candy hooks and vocal harmonies, big guitars and infectious grooves. 13 MP3 Songs ROCK: Psychedelic, POP: Power Pop Details: Hailing from Atlanta, Georgia, Chain Poets was formed by singer/guitarist Greg Kaegen, drummer Michael Patrick, and bassist T. Penland Cone. Made up of impeccable musicianship, they have honed their live act and polished their songwriting, resulting in an impressive set of killer power pop tunes delivered with passion, energy and reckless abandon, earning them well-deserved credibility and respect in the Atlanta music scene. Chain Poets have released through Garageband Records, a full length 13-song pop extravaganza which has been one of the top 5 sellers on Cd Baby. They have been featured on CNN, written about in the Wall Street Journal and Amplifier Magazine. They recorded a version of the Beatles song "Help" for the Sean Penn movie "I Am Sam" and their song "Emotion Sickness" was featured in the Pontiac Vibe commercial. Chain Poets song "Emotion Sickness" will be on the new interactive dvd from snowdvd.com, which tours ski and snowboard resorts all over the world (release date is Oct.25). Chain Poets are in the studio working on their second cd.... stayed tuned....
