singer/songwriter midwestern folk/rock, similar to jackson browne, eagles, and lyle lovett 14 MP3 Songs  
FOLK: Folk Pop, ROCK: Americana Details: my name is danny flanigan i'm a 40 year-old  
singer-songwriter from louisville i play the guitar i work for a non-profit agency i'm married to joanna we  
have two sons - ben is 9 - quillen is 3 i've written 125 songs - about 90 good ones i perform in the  
midwest region regularly clubs - coffee shops - bookstores - churches i play solo/acoustic and with my  
6-piece band - the rain chorus drums - bass - lead guitar - mandolin - female vocalist the folks in the band  
are my best friends they are all gifted musicians i have 4 full length band recordings: sun over rain ('93)  
greathouse ('95) vernon's mud (2000) and live lunch (2003) i've opened for bob dylan, the wallflowers,  
shawn colvin, subdudes, tuck and patti, the bodeans, patti griffin jonatha brooke, del amitri, dan bern and  
many others i believe i'm on the earth to write, sing, play and record my songs i believe my songs make  
the world a better place i touch people with my music - they tell me so my songs are inspired by real life  
experiences i prefer quality over quantity i'm not mad that i'm not rich and famous i'm not unhappy - but  
i'm not satisfied because of the 6 billion people on earth, only about 10,000 have even one of my cd's i  
want to make a living from my music it would bring me inner peace i'm serious about my music i don't do  
drugs - i only drink socially - i'm not lazy or crazy learn more, hear music or contact me via the web -  
dannyflanigan thank you for taking the time to check it all out sincerely, d
