Details: Dr. JYOTSNA SRIKANTH (Indian Violinist) Dr.Jyotsna Srikanth started learning Carnatic music from her mother Smt.Rathna Srikantiah from the age of five. She then learnt violin under Late Sri R.R Keshavamurthy, the legendary seven stringed violinist. She gave her first performance at the age of nine. She is an all rounder who has given numerous carnatic solo concerts, jugalbandhi concerts, jazz - fusion concerts apart from accompanying most of the stalwarts in Carnatic Music .Her violin playing has a nice blend of Bhava [musical expression and emotion] technique. She has been featured in all major festivals globally like WOMAD - UK, BBC Radio 3, Red Violin Festival Wales, Cleveland Music Festival - Cleveland, World Trade Auditorium - Singapore, East-West International Music Encounter - Bangalore, Kumar Gandharva Music Festival, The Music Academy, Chennai, etc She has received many awards titles at National International levels She is also an accomplished western classical violinist too Jyotsna has played violin for nearly 200 commercial Indian films She has also composed music for teleserials, dance ballets albums and has released many albums at international level. She is a medical doctor, a post graduate in Pathology. She is now into music completely is presently based in London. Her workshops on Indian/ Western violin techniques Indian/ Western Music - comparisons have been well received. Recently she was conferred Fellowship in carnatic Music from the Trinity College of Music, London. She has been training numerous students in London. She has a fusion band of her own which performs contemporary Indian music. In her recent release with Times Music called Fusion Dreams she has played violin in eight different styles.
