Original acoustic music that is something like a funeral, but more like a birthday 10 MP3 Songs FOLK: Modern Folk, FOLK: like Joni Details: Garrett Soucy started his career as a songwriter like rhetorical question. It is what it is and, even in its obscurity, it is fairly obvious. His music is primarily crafted from a few basic ingredients: sex, religion, and murder, with an occasional inclusion of humor and self-admitted ignorance. The music is best listened to with cigarettes and tea. Feel free to dislike it. The motivation behind it is twofold: he has the songs in his head that demand their autonomy; and he hopes they will be random 5 minutes of peoples' lives that are either enjoyable or didactic
