Mp3 Image - Drowning In The Sea Of Life

DOWNLOAD HERE

Absolutely Relentless.... 10 MP3 Songs ROCK: Hard Rock, METAL: 80's Metal Details: Finally, a scorching new album from the masters of metal. Image! Reunited in 2001, Image has unleashed a furious and unrelenting blast of metal music. Dedicated to all of the fans worldwide who have longed for a new head-hammering dose of this unique brand of polished metal music! Feel the power of songs like Tyrant and Dead or Alive, bang your head to the bone crunching riffs in Killer on the Loose and Sumthin' 4 Nuthin'. Relive the 80's classics Pushin On, Dream, Loser and She, never before recorded until now. This is a CD you must have! Recorded in May of 2003 at Rockingchair Studios in Memphis, this album was produced and Engineered by Mark Yoshida who also did the work on the newly re-issued Saliva CD! You've gotta have it and you know it! If it's too raw you're too frickin old!
