

Mp3 Joanie Whittaker - Miss Joanie's Potty Party

[DOWNLOAD HERE](#)

Featuring Grammy Nominee Zak Morgan and musical styles such as swing, bluegrass and reggae, this album will have the entire family groovin' in the bathroom and singing along with clever, hilarious and often poignant lyrics. Kids and grown-ups will dig it. 11 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: Miss Joanie's Potty Party makes going to the bathroom a blast. Little ones just getting the hang of it will enjoy the zany lyrics. Those who are way past potty training will get a kick out of the swing, rhythm blues, reggae and jazz styling. -All About Kids Parenting Magazine In a sea of dumbed-down children's CDs, Potty Party stands out. Whittaker and Erickson commandingly utilize a plethora of styles, and the songwriting and production is top notch, making it a step above the rote simplicity you'll find in most kids music. -City Beat Don't worry Mom and Dad, the CD isn't gross. Instead, it's meant to give toddlers encouragement and support as they master this big kid skill with songs that range from country to good old fashioned rock and roll. -Cincinnati Family Magazine It's an accomplished musical effort with an array of styles including 50s, standards, reggae, Beatle-esque strains, and just goofy kid songs. Parents will not be bored with the music, or Miss Joanie's silly but clever word play. -Cincinnati Post Miss Joanie's warmth and bright personality shine through as she encourages her diapered disciples to rise to the throne. Potty Party is a load of fun! -Zak Morgan, Grammy nominated children's entertainer
