LAUGHING WITH LULU is a new dynamic trio from Los Angeles that has taken "melodic rock" to a new level. Driven by infectious melodies, captivating lyrics, subtle harmonies, and 3 dynamic musicians, Laughing With Lulu delivers a unique spin on modern music. People have made comparisons to bands such as Doves, Toad The Wet Sprocket, Matchbox Twenty so if you like those bands, you will want to hear more of Laughing with Lulu. At the dawn of the 21st century, there were three men who decided to change their lives by joining a band that they would cherish, nurture and grow. Out of that experience we bring you Laughing with Lulu, a Los Angeles based trio of musical talent who paint a picture with their lyrical substance, captivating chords and pounding rhythms. Powered by three talented musicians, Laughing With Lulu delivers a captivating blend and texture of melodies that the band can signature as its own.
