Gorgeously Original Romantic Love songs with jazz, blues, rock and pop stylings 9 MP3 Songs EASY LISTENING: Soft Rock, POP: Delicate Details: After years of performing, songwriting/composing, teaching, recording, play writing, " Love Dreams and other Illusions " was released late last year. This is a concept album about Romantic Love. It's subtleties, it's exhilaration, it's climaxes, it's sad endings. This CD is blended with beautiful melodies and words deep in sincerity, passion, desire, despair, and future hopes. Maurice's masters approach is ever constant, with his wonderful songs, piano performance and singing throughout this CD. These and other of Maurice's songs, have been recorded by other artists. Considered by many to be a rare and gifted writer, Maurice's vast amount of wonderful work is finally reaching the public eye. Maurice is in the middle of writing his first novel that should be in the publishers hands by the new year. It will on the book selves along with a new CD due to be released in 2007. For Maurice, 2007 will be a very busy year, with the CD to record, a score for a Play to compose and record, and a new novel to begin writing. Plus Performances. The long awaited Web Site should be up by the new year, with performances from 2006, along with selected readings of Maurice's works. We promise, you will enjoy ! Maurice will be performing this fall. EMAIL us for details. Maurice thanks-you for your kind words and the Love you send.
