

## Mp3 Outloud Dreamer - Drink The Sky

[DOWNLOAD HERE](#)

Uniquely interfaces Massive Attack's trip-hop soul, Pink Floyd's atmospheric textures and 10,000 Maniac's folksy pop. 9 MP3 Songs POP: Today's Top 40, POP: with Electronic Production Details: "Drink the Sky", music co-written by Sarah Perrotta and Carl Adami with lyrics by Sarah Perrotta features Sarah: voice and piano, Carl: bass, synthesizer, sequencing, drum programming, electric guitar and production, and Jason Foster: acoustic guitar. The album was recorded, produced and mixed by Carl at his studio, Rice n Beans Southeast in High Falls, New York. Self-released in October of 2000, the nine track debut was labeled Best Modern Rock Album of 2000 by WKZE Radio 98.1, Red Hook, New York and was put into rotation on 46 radio stations throughout the Northeast. Their sound uniquely interfaces Massive Attacks trip-hop soul, Pink Floyds atmospheric textures and 10,000 Maniacs folksy pop. A stirring nine track collection anchored by the heart stopping vocals of Sarah Perrotta. Shout Magazine. Songs from this album have been featured on two documentary films: a rock climbing video, Big-Up Productions Dosage Volume 1, and Changing Identities, a story of traumatic injury and art narrated by Meryl Streep. Unfortunately, Outloud Dreamer disbanded in 2003. Since then Sarah has continued writing and in 2005 re-united the remaining members of Outloud Dreamers live band: Guitarist Chris Lane and Drummer Johnny Watson. They are currently recording a new album The Well featuring Tony Levin ([tonylevin.com](http://tonylevin.com)) on bass and Garth Hudson ([garthhudson.com](http://garthhudson.com)) on accordion to be released in the Spring of 2007.
